

Chemistry

GCSE

Examination
Board: OCR
Course Code:
Gateway J248

ASSESSMENTS	LENGTH?	WHEN?	WORTH?
Chemistry paper 1 C1-3 & C7	1hr 45minuts	Summer Year 11	50%
Chemistry paper 2 C4-6 & C7 With assumed knowledge of C1-3	1hr 45minuts	Summer Year 11	50%

WHAT SORTS OF THINGS DO SUCCESSFUL STUDENTS DO TO REVISE?

A. Read your textbook and revision guides—make useful resources as you go such as:

- Mind-maps  **And answer the questions to check understanding**
- Question cards 

B. Google Classroom Mock and Exam Classrooms—use for all revision needs. Resources include:

- Quizzes— complete these section by section and re-revise parts you get low marks on
- Help videos—watch these to help you understand complicated aspects of the course
- Key word lists—print these & learn key words to help with written answers
- Knowledge Organisers —print these and read to help recall of essential information and practice questions on reverse
- Exam style question—complete these for practice
- Textbook answers—use these to check your answers as you complete sections
- Model answers—use these to see how you could improve your answer
- Links to BBC bitesize—use to aid explanations

C. Sit some past papers under timed conditions
